

In 2018-19, the Foundation in partnership with NBCC, CCNB and NBCCD were able to establish a new annual record, 783, for the number of bursaries, awards and scholarships! The monetary value of these 783 awards totaled over 790,000 dollars, another annual record! Since 2006 the cumulative total to date has grown to over 5,000 awards, worth more than 4.89 million dollars.

These impactful results towards assisting Community College students could not have been made possible without the outstanding support of our generous sponsors and donors. Thank you very much to all of you.
